

2MW Mobile Energy Storage Battery Cabinet for Highway Use

Overview

What is the warranty of the energy storage 2 MWh system?

the product warranty of the industrial and commercial energy storage 2 MWh system is classified into basic warranty and advanced warranty. After the device is delivered, the basic warranty is automatically obtained. If the device is connected to Huawei PV cloud or purchased from Huawei for five years, the warranty is upgraded to advanced warranty.

What is a polinovel 2mwh commercial energy storage system?

Max. Efficiency Get your Exclusive Offer! Polinovel 2MWH commercial energy storage system (ESS) is tailored for high-capacity power storage, ideal for large-scale renewable energy generation, PV self-consumption, off-grid applications, peak shaving, and emergency backup power.

How long is the warranty on a battery module?

For details, see Table 2-1. The performance warranty of the battery module is based on the ten-year warranty period and the number of cycles. The one that reaches the warranty first takes effect, and the warranty expires.

What is the difference between battery warranty and energy storage warranty?

The performance warranty of the battery module is based on the ten-year warranty period and the number of cycles. The one that reaches the warranty first takes effect, and the warranty expires. Energy storage warranty includes product warranty and performance warranty, which are provided separately.

2MW Mobile Energy Storage Battery Cabinet for Highway Use
