

5MW of outdoor cabinets used in tunnels along the Belt and Road Initiative

Overview

How much is China engaged in the Belt & Road Initiative?

Preliminary data on Chinese engagement through financial investments and contractual cooperation for 2024 in the 149 countries of the Belt and Road Initiative show about 340 deals worth USD121.8 billion. This compares to USD 92.3 billion BRI engagement in all of 2023 – an increase of 31%.

How did China rebuild its historic highway?

Some 2,000 years later, China set out to rebuild its historic highway through an ambitious foreign policy programme of investment and development, dubbed the Belt and Road Initiative (BRI) (“yi dai yi lu” or “one belt, one road” in Chinese).

Will China cooperate with other B&R countries on Environmental Protection?

China is willing to cooperate on environmental protection with other B&R countries. China will sign cooperation agreements with more countries on building green Belt and Road, expand the International Coalition for Green Development on the Belt and Road, and establish a Coalition of Sustainable Cities on the Belt and Road.

What is China's Belt & Road Initiative (BRI)?

China's Belt and Road Initiative (BRI) now extends from East to West, from the Pacific to the heart of Europe and has become one of the most transformational trade policies connecting 137 countries along its routes since its inception in 2013.
