

# 80kWh Mexican communication cabinet for airport use

## Overview

---

Who makes voice & data communication cabinets & racks?

When it comes to Voice & Data Communication Cabinets & Racks, you can count on Grainger. Supplies and solutions for every industry, plus easy ordering, fast delivery and 24/7 customer support.

Why should you choose IASA telecommunications cabinets & racks?

IASA has been one of the main suppliers of cabinets and racks in the Mexican market. A lot of the telephone booths and cabinets that have allowed the development of telecommunications technologies in Mexico have passed through our factories.

Are Iceberg telecommunication cabinets BABA certified?

BABA certified. Cooling and heating powered by Dantherm. At Iceberg, we specialize in providing telecommunication cabinets designed to house your essential equipment securely. Our solutions are tailored to meet the demands of modern connectivity, ensuring your operations run smoothly and efficiently.

Why do I need a telecommunications cabinet?

These cabinets also make it easy for technicians to reach the ports they need to expedite service. Patch panels: If your telecommunications system incorporates patch panels to connect and manage your incoming network cables, you can keep them safely stored in your cabinet.
