

After-sales service for 10MWh outdoor energy storage cabinets

Overview

Why should you choose energy storage cabinets?

This ensures that energy storage cabinets can provide a complete solution in emergency situations such as fires. To accommodate different climates, we provide professional recommendations based on customer usage scenarios and requirements.

Why should you choose Machan for your energy storage enclosure?

Machan has extensive experience in the manufacture of outdoor enclosures, enabling us to meet the diverse needs of energy storage enclosure customers across a range of industries and applications.

Who makes energy storage enclosures?

Machan offers comprehensive solutions for the manufacture of energy storage enclosures. We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services.

Do energy storage cabinets need to be painted?

This ensures that energy storage cabinets maintain excellent appearance and performance, as well as resisting corrosion and UV radiation. We place particular emphasis on comprehensive pre-paint processes, including degreasing, cleaning and neutralisation, to ensure excellent paint adhesion and quality.
