What is a kitchen cabinet?

Kitchen cabinet is a built-in furniture installed in many homes for storage of food, cooking equipment, and often silverware and dishes for table service. Also, this furniture comes with lower cupboard that are also called floor cupboards and the upper cupboards, also called floating cabinet.

What are the latest trends in kitchen cabinets?

Modern designs have moved on from swathes of clinical white or brassy red gloss. The most recent trend is for units in beautiful neutral shades – think grey, mushroom, Champagne and cream. They still boats the same flowing lines and fuss-free finish that high-gloss is loved for, but the soft colours bring character and are easier to live with.
