

Portable micro mobile power supply

Overview

Why should you buy a portable power station from Lowes?

Stay powered and connected wherever your adventures take you with a reliable portable power station from Lowe's. Ideal for camping, tailgating, emergencies or everyday outdoor activities, portable power stations provide a safe and convenient energy solution so you can charge and run essential electronics and appliances.

How to choose a portable power station?

Multiple Charging Ports: Look for power stations with multiple USB, AC and DC ports, providing flexibility to charge various devices simultaneously. **Solar Compatibility:** Some portable power stations offer solar panel compatibility, enhancing their usefulness during extended outdoor stays or emergencies.

Why do you need a portable power station?

Why Trust Us?

Portable power stations are handy for backup power during outages, off-grid electricity for an RV, or simply charging your laptop and phone while working remotely. They're effectively large bundles of rechargeable lithium-ion batteries, which provide a quiet, exhaust-free alternative to noisy gas-powered portable generators.

How much does a portable power station cost?

A typical price for a Portable Power Station is \$1,367 but can range from approximately \$59 to \$8,015. Stay charged during outdoor adventures or power outages with portable power stations from Lowe's. Browse our wide selection and power up with ease today.
