

Procurement of 60kW Mobile Outdoor Cabinet for Mining

Overview

Who makes portable mining switchgear?

Atlas Electric designs and manufactures a wide variety of Portable Mining Switchgear. With over 25 years of experience in the mining industry our knowledgeable sales and engineering staff can design a solution for virtually any surface mining, underground mining or tunneling application.

What is a mining mobile substation?

PRODUCT OVERVIEWS Mining mobile substations are divided into vehicle-mounted and sledge-mounted types. They adopt a modular design and integrate a high-voltage switch room, a transformer room, and a medium-low voltage switch room.

Why do mining companies need procurement best practices?

Mining companies face increasing pressure to enhance efficiency, control costs, and ensure sustainability. Implementing procurement best practices such as effective contract management, KPI tracking, and category management enables streamlined operations and stronger supplier relationships.

How can process mining software improve pricing & competitive pricing?

Utilizing process mining software and establishing clear procurement requests can lead to better pricing and competitive pricing through stronger supplier relationships and more accurate tracking of stock received and inventory.
