

Substation IP67 Philippine Communication Power Supply Cabinet

Overview

Should I Choose an IP67 enclosure?

Specifying an IP67 enclosure may be the right choice for you if: You need a heavy-duty waterproof enclosure that's suitable for a wide variety of applications, including use as a junction box, power supply housing and many other options.

What is an IP67 waterproof enclosure?

Meeting IP67 requirements ensures waterproof enclosures provide security for housing internal components in wet environments. With a variety of sizes available in aluminum or plastic, we'll help you find your perfect IP67 enclosure solution.

What accessories are available with my IP67 enclosure?

Accessories: Our IP67 enclosures are also available with numerous electrical enclosure accessories, including cable glands for protecting connector pass-throughs and DIN rails for mounting terminal blocks and other hardware.

Are polycase enclosures IP67 rated?

Polycase's IP67 rated enclosures and boxes provide protection for your electronics in indoor and outdoor applications. Meeting IP67 requirements ensures waterproof enclosures provide security for housing internal components in wet environments.
